

# WinterDream Plugin Terms of Use

***Effective Date: 01 November 2023***

WinterDream Games Creator ("We," "Us," or "Our") is pleased to provide you with our plugins for use in your game development projects. By using our plugins, you agree to the following terms:

## **Usage in Free and Commercial Games:**

- Our plugins can be used in both free and commercial games. There are no restrictions on the themes of your projects.

## **Editing for Personal Use:**

- You have the right to modify and edit our plugins for use in your own game. Personalization is encouraged!

## **Non-Redistribution:**

- You are not permitted to redistribute our plugins as standalone plugins. They may only be used within your game projects.

## **Protection of Plugins:**

- We recommend that you take appropriate measures to protect the plugin code in your projects, ensuring it is not exposed as-is to end-users. This could include encryption or other security measures.

By using our plugins, you acknowledge and agree to these terms. We hope you find our plugins valuable for your game development endeavors.

If you have any questions or need further clarification, feel free to reach out to us at [winterdreamgamecreator@gmail.com](mailto:winterdreamgamecreator@gmail.com).
